**FRENCH BEADED DESIGNS**

*by Donna DeAngelis Dicket*

It’s amazing that objects so beautiful can come from such simple techniques! These French beaded flowers sparkle, shine, and surprise, and yet they’re made just by stringing beads on wire and wrapping them around to form stems and petals. Some of these flowers serve as eye-catching ornaments; others are sublime practical, such as napkin rings and tiebacks. Follow the well-illustrated instructions to craft wildflowers, roses, daisies, tulips, anemones, and hydrangea. For each one, there’s a “What You Need to Know” and “What You Will Learn” box as guidance. The dazzling items include Black Tie Candleholders, Forsythia Urn and much more.

**DESIGNS FOR BEADING ON A LOOM**

*16 Designs with Variations and Interpretations by 20 Honorary Loomatics*

**HOLIDAY BEADERY**

by Jeanette Shanigan

Want to add some holiday pizzazz to your wardrobe or need a special piece for gift-giving? This book may be just what you're looking for. For each month there are directions for 4 pieces of beaded jewelry: a bracelet, earrings, a necklace, and a pin. That's a total of 48 festive patterns! The beadwork techniques include the most popular ones: peyote stitch, brick stitch, herringbone stitch, netting, and fancy advanced stringing.

**GETTING STARTED WITH SEED BEADS**

by Dustin Wedekind

Seed beads are basic, essential materials in a beader's stash, and this handbook gives the beginning crafter a full course in how to work with them for great results. Seed beads come in a plethora of colors and materials and can be worked in an endless variety of stitches, which are taught in chapters that progress from introductory to more challenging. The more than 20 projects teach and then combine techniques in projects guaranteed to impress, from a simple beaded tine to a ladder ring to a tubular peyote-stitch rope of beaded beads. There is also a section on shopping for beads and equipment that will make new initiates comfortable as they explore the potentials of beading with seed beads.

**BEADAZZLED CABOCHON JEWELRY**

by Jeanette Shanigan

Semi-precious stones and seed beads make a stunning combination! This book includes 15 projects (necklaces, bracelets, brooches, barrette) for using cabochon of all kinds (stone, polymer, glass, porcelain, etc.) in beadwork. Techniques for 14 different edges for finishing are also included. Plus there are 4 different bezels using 4 beading stitches.

HAVE BEADS WILL TRAVEL
by Suzanne Cooper

This booklet features 57 projects including necklaces, bracelets, earrings and amulet purses suitable for traveling around the town or around the world! “These designs are small projects so you can bead when you are in a cramped airplane without having to take over the seat beside you. The book is small enough (5.5” x 8.5”) to pop in your purse or travel bag. Those long waits for a doctor’s appointment or those boring baseball/soccer/dance practices, etc. are much more pleasant with beadwork to help pass the time! Whether you are traveling by car, plane, train or donkey cart this book can go with you!” – S. Cooper

BEAD ROMANTIQUE
Elegant Beadweaving Designs
by Lisa Kan

Inspired by art history, artist Lisa Kan offers a truly unique jewelry collection with a romantic yet modern sensibility. Her book features 16 step-by-step designs inspired by the Gothic, Renaissance, Victorian, and Art Nouveau eras reinterpreted in her distinctive contemporary style. Emphasizing a mix of vintage findings, beads, lampwork, buttons, and modern components, Lisa’s jewelry brings a feminine mystique and sophistication to beadwork design. Each project builds on simple elements to create sophisticated designs and incorporate off-loom seed bead weaving, stringing, and wirework. Projects include a scalloped chain necklace, pearl Ndebele earrings and bracelet set, mesh pearl bracelet, bohemian drop earrings, a Victorian diamond cuff, and more. Novice beaders can progress through projects and increase their skills and beading confidence while advanced beaders will find exciting new challenges. Included are Lisa’s expert design and technique tips and tricks along with detailed instruction and illustrations for every project. Lisa also gives information on finding special vintage beads and components to give your jewelry that romantic quality plus ways to make modern components look vintage. Due Spring 2008.
