**E6000®**

*Now Available in .18 fluid oz. tube*

Considered as the most effective & heavy-duty glue around, E-6000® works on more surfaces than almost any other adhesive available in the market. It will adhere to wood, metal, glass, leather, rubber, vinyl, ceramics, & many plastics. E-6000® Clear Glue is a perfect tool for jewelry application because it dries clear and is paintable. In addition, it is waterproof, flexible, and non-flammable. Guaranteed to deliver “industrial strength,” E-6000® Clear Glue may be applied on high-wear areas.

**Quick Grip™**

*The clear & convenient alternative to super glues!*

- Quick grab, quick dry for easy application in a convenient tube.
- Bonds, mends and repairs almost anything—wood, plastics, rubber, concrete, ceramics, fabrics, glass, leather, and more.
- Water and weather proof; ideal for outdoor projects.
- Permanent, flexible and paintable; dries crystal clear.
- Great for general repairs, home décor, and hobby and craft projects.

---

Storage & Organization

Three Easy Steps!

**Step 1:** Choose the size blister that best fits your items
**Step 2:** Decide if you want a “thick” or “thin” foam” (depending on how much product you put in the blister). The foam will push your product to the front of the blister so the item stands correctly & the package will appear more full.
**Step 3:** Choose the appropriate size card

---

Clamshell

Choose from 1/2” or 1/4” Thickness

---

To close the lid, rotate it until the opening clicks into position above the raised portion of the base. Beads and supplies sold separately.

**Split Ring Tweezers**

*How to use Split Ring Tweezers*
1) Slide a split ring onto the flat tip of the tweezers about 1/4” from the end, just under the curved tip.
2) Rotate the ring so that one of the open wire ends is just to the side of the curved tweezer tip.
3) Squeeze the tweezers shut, pressing the curved end between the overlapping rings of the split ring. The wires will pull apart so you can slide a charm or finding onto the ring.

*How to use Jump Ring Opener*
1) Hold the tweezer in one hand and grasp the closed side of the jump ring with flat or chain nose pliers.
2) Slip the bottom of the ring into the slot which offers the best fit.
3) Gently twist the jump ring sideways with the pliers to open it. Attach the jump ring where needed, then twist it shut.

### Asian Knot Templates

**4 styles to choose from!**
Knot Templates give you a quick and easy way to make unique knots that can be used to create a variety of craft projects. Use these knots to make jewelry, buttons, beads and other accessories. Great for adding to apparel, frames, pillows, memory books and more for a really special touch. Each template comes with one yard of cord for practicing & complete instructions.

Once you have the template & practice, you can make wonderful custom pieces. If you have a corder & thread, you can create your own braid to fully customize. Use metallic thread for a glamorous look!

**Flower** - knots are a symbol for long life. Each knot requires 26 inches of cord.

**Teardrop** - knots are popular for making Chinese buttons and require 16 inches of cord.

**Button** - knots are popular for making Chinese buttons and require 20 inches of cord.

**Ball** - knots are popular for creating accessories, forming beads or making rings. Each knot requires 32 inches of cord.

**Image Transfers**

*ITS™ Blanks*

These solid lead-free pewter blanks are made especially for ITS transfers! Available in 5 styles: Curved Rectangle, 3-Loop Rectangle, Floral Rectangle, Oval, & Circle.

*ITS™ Collage Sheets*

Pre-printed images ready for use with image transfer with ITS; also great for other collage projects.

**ITS™ is a transfer medium that allows you to transfer images onto metal, sea glass, wood, unglazed tile, and other non-porous surfaces. This product produces soft transparent images allowing the metal (or other surfaces) to shine through what used to be the unprinted area of the copied image. The result gives you an ethereal vintage look to your finished piece.**

Braiding with Beads on the Kumihimo Disk
by Karen DeSousa
Most braiders never get past the basic round braid, and that’s okay because there’s so much you can do with it. Start off by designing your own project and then proceed through 12 different necklace and bracelet projects. You’ll learn about the various textures provided by different shapes and finishes of beads. Plus, you’ll learn how to create patterns with color and how to prep, braid and finish each project. From a Retro 50s look to an Out of this World lariat, this book is filled with braiding inspiration. Softcover, 36 pages, measures 8-1/2” x 11”.

Rachel Nelson-Smith’s Bead Riffs: Jewelry Projects in Peyote & Right Angle Weave
by Rachel Nelson-Smith
This installment of the top-selling “Beadweaving Master Class” series features jewelry superstar Rachel Nelson-Smith. Nelson-Smith approaches beading like a jazz musician approaches a song; she improvises freely and creatively, playing unexpected variations on basic themes. Here, she reveals her signature techniques for combining right-angle weave, tubular peyote stitch and exquisite embellishments. Rachel’s beautiful jazz-inspired pieces for intermediate beaders range from the Rondo necklace with repeated patterns to the Five Piece Band stackable ring. “Riff It” sidebars offer suggestions for personalizing each design. Hardcover, 128 pages, measures 8-1/2” x 10”.
